

CONSTRUCTION UPDATE NOTICE

Construction Notice for Weeks of: January 27, 2014 and February 3, 2014

Construction is anticipated to begin on the Calvin Cafritz Enterprises (CCE) project in Riverdale Park as early as the week of Monday, January 27, 2014. CCE received its Temporary Access Permit and Rough Grading Plan approvals clearing the way for construction of the project.

L.F. Jennings anticipates that the site work will take 10 months concurrent with the construction of the first buildings – to include the new Whole Foods Market – to be completed and opened in the third quarter of 2015.

What to Expect On-Site the Next Two Weeks:

During the first two weeks of construction, the General Contractor, L.F. Jennings, will be installing erosion and sediment control fencing and ponds, flagging the limits of clearing, installing tree protection, performing limited clearing for the erosion and sediment control and installing the construction trailer and construction entrance on-site.

These activities will require heavy equipment accessing the site. Two construction entrances will be located along Route 1 located near both ends of the project site.

Lane Closures:

There will be no temporary lane closures during the first two weeks.

Construction Hours:

Construction activity will be taking place Monday – Saturday between the hours of 7 a.m. and 5 p.m.

Contact Information:

For any construction related concerns, please contact Robert Lockhart of Capital Construction Consultants at 202-669-7157 or email at rlockhart@ccci-dc.com.
