

## TEMPORARY HIKER-BIKER TRAIL OPEN

### Route through Riverdale Park Station Provides Connection for Trail

A temporary hiker-biker trail through Riverdale Park Station connecting the existing Trolley Trail to Riverdale Park and College Park is open. Signs and construction fencing has been installed around the site marking the temporary hiker-biker trail route.

The Riverdale Park Station portion of the permanent Trolley Trail has been deeded to M-NCPPC's Department of Parks and Recreation who, in conjunction with the Town of Riverdale Park, will manage and maintain the trail. The Riverdale Park Station team will continue to work with M-NCPPC to open the permanent Trolley Trail for use by the public once it can be determined that site conditions are suitably safe from dangers associated with the immediately adjacent construction activities.
