SNOW AND WINTER OPERATIONS INFORMATION

SNOW PLAN

❄️ When there is a chance of snow, please use driveways or garages to park your vehicles. With fewer vehicles parked on Town streets, our public works crew is able to clear them of ice and snow more effectively.

❄️ For safety reasons, please limit activity in the streets when public works crews are plowing.

❄️ Residents are requested to keep their sidewalks and front walks free of snow and ice. Please clear sidewalks within 24 hours after a snowfall.

Check the Town's website for snow emergency declarations and details. www.upmd.org

UP SHUTTLE BUS WINTER CONDITIONS POLICY

Town Shuttle Bus operations to and from Metro during winter conditions will seek to parallel the operating status of federal government offices in the area. Therefore, follow news media reports regarding the operating status of federal government offices within the Washington Beltway as the best indicator of whether the Town Shuttle Bus is operating.

- Bus status recording will be updated as needed due to changing conditions.
- If federal government offices are closed due to winter conditions, the Town Shuttle Bus will not operate.
- If federal government offices are open, even if on delayed arrival, the Town Shuttle Bus will operate on its established route and schedule so long as we deem the conditions safe for it to do so.
- If federal government offices are open and announce early dismissal, the Town Shuttle Bus will operate on its established route and schedule so long as the conditions are deemed safe by the Town.
