5. PRESENTATION

Mayor Carey introduced County Councilmember Dannielle Glaros to discuss CB-48-2020, County budget and taxation, and other County matters.

Highlights of presentation by Councilmember Glaros:

- The best way to follow the County Council with regards to COVID-19 is through the Dashboard on their website.
- The County budget was passed virtually at the end of May.
- The County bill CB-48-2020, Homestead Property Tax, is going to be tabled because there is not enough support to move it forward.

- Prince George’s County depends heavily on funding from the State and Federal Government. Visions and initiatives can be jeopardized in the County when funding is cut from these sources.

To repair 29’x 11’ driveway and repair adjacent brick walkway located on Lot 3 and Block 33 at 3905 Beechwood Road.

B. BUILDING PERMIT APPLICATION TO CONSTRUCT A TWO-STORY ADDITION AND TERRACE

(Laura and Marco Fuggitti, 7012 Wells Parkway) Ward 7

To construct a 28’x 18.8’ and 4.5’x 9.6’ two-story addition and an 18.4’x 12’ and 9.6’x7.5’ ground level terrace located on Lot 1 and Block 43 at 7012 Wells Parkway.

Note: Issuance of the Town permit is contingent upon receiving the County permit for the work as proposed.

7. PUBLIC COMMENT

- A resident who experiences flooding at his home asked that the Town not consider any infrastructure along the creek until 9 Ponds is complete. He asked if the Town could work with Riverdale Park, the County and the State to ensure there is a good flow of stormwater in Wells Run.

8. MAYOR, COUNCIL, AND COMMITTEE REPORTS

A. MAYOR’S REPORT ~ Mayor Len Carey

- The virtual Town Hall Forum on Community Policing was very successful, with excellent participation by Town residents and content from Chief Baker. The discussion was recorded and can be found on the Town website.

- Mayor Carey asked that the Public Comments section be used for residents only. It was agreed that “Council and Committee Reports” agenda item be changed to read “Council and Committee Comments and Reports.”

B. COUNCIL AND COMMITTEE REPORTS

Trees, Parks and the Environment Committee Chair Chris Aubry gave the Committee’s 2019 Annual Report. A copy of the report was distributed to the Councilmembers.

Questions/Discussion:

- In response to a question on how the Committee communicates with residents, Mr. Aubry listed the following: Tree Education in the Town Newsletter; Treemendous on the List-Serve; tree map on the website; TreeCommentUPMD.org on the website. The Committee offers home/yard visits to assess ivy or assist with tree selection.
- Mayor Carey said that the Town has a new communications initiative and he suggested something could be done to update residents using infographics regarding the tree program.
- A goal for 2020 is to talk about a Tree Ordinance for the Town.
- A Councilmember noted that the picture of the Sourwood tree is not correct in the Tree Manual. She also said that there are many homeowner trees that are unhealthy or have died over the past several years and the Committee may consider giving these homeowners some guidance on replacing these trees.
- A Councilmember asked if there are any plans for the damaged Town Holiday tree? *Mr. Aubry said there are no plans. Ms. Morrissey said that in the last budget cycle the Committee attempted to address the Holiday Tree as part of improvements to Henson Green, but it was a casualty of public outcry.*
- Mr. Aubrey responded to a question by saying that when the Tree Committee plants trees, they carefully consider the placement of a tree.

Public Facilities and Services Committee - Mr. Caskey

- The Committee re-evaluated the requirements for Town Hall. The notes from the meeting can be found on the website.

Policy Rules and Municipal Structure Committee - Ms. Verrill

- The Committee discussed allowing six-foot fences. Details on this can be found in the Committee’s report on the Town website. This topic will be on the agenda at the August 17 Council meeting.

9. CONTINUING BUSINESS

A. COUNCIL DISCUSSION: RACIAL JUSTICE ACTIONS

Discussion of next steps for Council actions, following the Virtual Town Hall Forum on Community Policing.

- A Councilmember said that he has a lot of confidence in the University Park Police Department, although there is a serious gap of confidence in law enforcement in Prince George’s County, the Sheriff’s Department and the Park and Planning Police Department. He suggested that the Council be aware of law enforcement issues County wide.
- Mayor Carey said that he hopes to have a social distanced strategic planning retreat in the fall to

discuss issues and the topic of racial justice actions will be one of the items.

10. NEW BUSINESS

A. APPROVE CONTRACT FOR PERMEABLE PAVING OF A PATH ACROSS THE ADELPHI ROAD FIELD ADJACENT TO THE MEADOW

Motion: Per Section 2-105 (b) of the Town Ordinances, to override sealed bid procedures and approve a contract with Capitol Flexi-pave of 39024 E. Colonial Hwy. Hamilton, VA 20158 in the amount of \$37,179, to install 425 feet of pervious asphalt path in a designated location across the Adelphi Road field adjacent to the Meadow and connecting between the sidewalk adjacent to Adelphi Road and the park path of University Park, subject to review by the Town Attorney; good cause having been demonstrated that Capitol Flexi-pave is the more experienced of two firms in the area which install pervious asphalt paving, and awarding the contract as recommended will enable the path to be installed much sooner. The Town has worked with Capitol Flexi-pave for several years and is satisfied with their work.

Amend VeoRide Agreement

INFORMATION REPORT

To: Mayor and Council
From: Suellen M. Ferguson, Town Attorney
CC: David Deutsch, Interim Town Administrator
Date: August 11, 2020

Re: Extension of Pilot Program with Veoride, Approval of Amended Contract

ISSUE:

The Town, in partnership with University of Maryland and the City of College Park, implemented a pilot program for micro-mobility vehicles with VeoRide that kicked off in late August 2019. An extension of one additional year of the micro-mobility pilot program was approved by the Mayor and Council in July, based on the fact that the program was disrupted due to the global pandemic. An amendment to the contract with Veoride was also approved in substantially the form attached to the packet information. One contract change was to modify the hours of operation to make all vehicle types available 24/7 in the City and the Town. The University of Maryland continued to limit hours of operation (5am-9pm) on campus.

During discussions this week to finalize the contract, VeoRide representatives indicated that developing a digital “no-ride zone” to enable running a two-tier system with respect to hours of operation was requiring more time than expected. To their knowledge, this is the only micro-mobility system that is required to provide this service, so this is not a standard option. As a result, VeoRide has requested a 90-day extension of the current 5:00 a.m. to 9:00 p.m. to allow additional time to develop a digital solution. Once the 90-day period has ended, the two-tier system will be implemented, hopefully through a digital solution but even without one.

RECOMMENDATION:

Staff recommends that the 90-day extension be granted to VeoRide, with the caveat that the two-tier system be implemented at the end of the period. Mayor and Council are asked to approve the following wording in Exhibit A, Terms of Service, to the VeoRide contract:

***Hours:** The Veo fleet will be operable between 5:00 a.m. and 9:00 p.m. on the UMD campus and in the City and the Town. The Parties and VEO recognize that the City and the Town seek operation of the Veo fleet 24 hours per day, seven days per week. Beginning at the latest by November 20, 2020, VEO shall operate the Veo fleet on the UMD campus between 5:00 a.m. to 9:00 p.m., and in the City and the Town 24 hours per day, seven days per week. Hours of operation may be adjusted by the Parties and VEO by agreement.*

**MARYLAND HERITAGE AREAS AUTHORITY GRANT PROGRAM
GRANT AGREEMENT**

This Grant Agreement (this “**Agreement**”) is entered into as of the Effective Date (defined in Section 1.b below), by and between the Maryland Heritage Areas Authority, an instrumentality of the State of Maryland as part of the Department of Planning of the State of Maryland (“**MHAA**”) and Town of University Park, a local government, organized and existing under the laws of Maryland, with its principal office located at 6724 Baltimore Avenue, University Park, MD 20782 (the “**Grantee**”).

RECITALS

- A. MHAA is authorized under Section 13-1113 of the Financial Institutions Article of the Annotated Code of Maryland, as amended (the “**Act**”) and the regulations set forth in the Title 14, Subtitle 29, Chapter 02 of the Code Of Maryland Regulations (the “**Regulations**”) to make grants from the Maryland Heritage Areas Authority Financing Fund (the “**Fund**”) to local jurisdictions or other eligible entities to develop management plans for certified heritage areas and for planning, design, acquisition, development, preservation, restoration, interpretation marketing, or programming of certified heritage areas (the “**Program**”), as further described in the MHAA Grant Program Guidelines (the “**Guidelines**”), and the MHAA Grant Program Manual (the “**Manual**”), as may be amended from time to time, and which are posted online at <https://mht.maryland.gov/heritageareas.shtml>;
- B. Grantee has applied to MHAA for a grant from the Program for the project described herein (the “**Grant Application**”); and
- C. In reliance upon the information contained in the Grant Application, MHAA has determined that the proposed project is consistent with the provisions of the Act, the Regulations, and the Guidelines, and has approved an award of grant funds for the project on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, MHAA and Grantee agree as follows:

1. Grant and Project Terms.

- a. Grant Purpose. The purpose of this Agreement is to provide the Grantee with funds in an amount not to exceed \$40,750.00 (the “**Grant**”) to assist the property known as the University Park Town Park, located at 6400 Wells Parkway, University Park, MD 20782 (the “**Property**”), for the activities set forth and described in Exhibit A of this Agreement (the “**Project**”), as further described in the attached Exhibit A – Project Requirements (the “**Scope of Work**”). Grantee shall use the Grant only for the activities authorized in Exhibit A, and shall operate the Project in accordance with the Act, the Regulations, the Guidelines and Manual, and the terms and conditions of this Agreement.
- b. Grant Term. This Agreement is effective as of the date it is executed by MHAA (the “**Effective Date**”), and shall terminate the later of (i) twenty-four months following the Effective Date, or (ii) MHAA’s receipt and approval of the Project Completion Report as set forth in Section 9.c of this Agreement (the “**Termination Date**”).
- c. Project Timetable. Grantee may commence on the Project Commencement Date and shall diligently pursue completion of the Project by the Project Completion Date set forth in the Exhibit A (the “**Project Timetable**”).

- d. **Extensions.** At its discretion, MHAA may extend any date set forth in the Project Timetable, provided that the Grantee demonstrates to MHAA's satisfaction that the circumstances warrant such extension. An extension may be offered by MHAA in writing or by email, and shall be deemed to be accepted by Grantee if Grantee fails to refuse the extension in writing or by email within ten (10) calendar days from the date the extension is offered. The requirements related to Project Timetable extensions are set out in the Manual.
- e. **Project Consultants.** Upon MHAA's request, the Grantee shall submit for MHAA's review and approval the professional qualifications of any person or entity contracted or retained to undertake any portion of the Project.

2. **Grantee's Contribution.**

Grantee shall provide an equity contribution to the Project satisfactory to MHAA (the "**Grantee's Contribution**"), in an amount at least equal to the Grant, either in the form of cash, or a combination of cash in an amount not less than 75% of the Grant and an in-kind contribution equivalent to not less than the remainder of the Grant, as further described in **Exhibit A – Special Conditions: Grantee's Contribution**, and in the budget set forth in **Exhibit B** (the "**Project Budget**"). Grantee's Contribution shall be used to pay for Project expenses described in the Project Budget. Grantee's Contribution may include funds derived from other non-State public or private sources; provided however, that no State funds may be used for any part of the Grantee's Contribution. If the source of equity comprising Grantee's Contribution is reduced or otherwise becomes unavailable, Grantee shall replenish such equity source in order to remain compliant with the requirements of this Section. As part of Grantee's Project Completion Report, Grantee must provide to MHAA such information and documentation regarding Grantee's Contribution in form and content as may be required or requested by MHAA.

3. **Grant Documents.**

The following documents shall be executed in connection with the Grant, which documents shall be satisfactory in form and substance to MHAA:

- a. This Agreement;
- b. An Assurance of Compliance (Attachment 1), unless Grantee is a religious organization;
- c. If Grantee is a religious organization, a Fair Practices Certification (Attachment 1);
- d. If Grantee is a non-profit entity, a Contract Affidavit (Attachment 2);
- e. If Grant Amount is equal to or more than \$90,000, a Minority Business Enterprise Plan (**Attachment 3**) must be submitted and approved by MHAA; and
- f. Any other document or instrument that may be required by MHAA.

4. **Easement and Preservation Requirements for Capital Projects.**

If required in **Exhibit A – Special Conditions: Easement and Preservation Requirements**, Grantee shall execute, or cause the owner of the Property to execute an easement or preservation agreement, or a modification of these documents, satisfactory in form and content to the Maryland Historical Trust (“MHT”). The requirements related to easements and preservation are set out in the Guidelines and Manual.

5. **Expenditure of Grant Proceeds.**

All Grant funds shall be expended on or before the Project Completion Date.

- a. Grantee shall expend the Grant in accordance with the Project Budget. The addition or deletion of line items in the Project Budget must be approved by the MHAA staff member set forth in Section 17.a. of this Agreement, who shall serve as the project monitor for this Project (the “**Project Monitor**”).
- b. All costs incurred by Grantee before the Effective Date of this Agreement and before MHAA’s approval of the release of the Grant funds are incurred voluntarily, at Grantee’s risk and upon its own credit and expense. Grantee’s rights to be reimbursed with Grant proceeds shall be governed by the provisions of this Agreement. Grantee may incur Project expenses commencing on the Project Commencement Date.
- c. If the Project is completed for an amount less than that reflected in the Project Budget, the amount of the Grant may be reduced and Grantee shall return all unexpended Grant funds to MHAA.
- d. MHAA must approve changes to the Project Budget as noted in Section 5.a above, the Scope of Work, or any other material term of this Agreement as determined by MHAA. The requirements related to amendments to the Project Budget and the Scope of Work are set out in the Manual.

6. **Construction Requirements. Historic Properties.**

- a. If the Property is listed in or eligible for listing in the Maryland Register of Historic Properties and the Project (i) is being financed by the State, including State tax credits; or (ii) is subject to an existing easement held by MHT; or (iii) will be subject to an easement required in **Exhibit A – Special Conditions: Easement and Preservation Requirements**, then, prior to any construction, reconstruction, improvement, enlargement, alteration, demolition or ground disturbance on the Property (collectively, the “**Work**”), Grantee shall have obtained all required approvals from MHT of the Work and the Project plans and specifications. Policy, Rules and Municipal Structure Committee Report
re: 6 foot fences

To: Town of University Park University Park
From: Committee on Policy, Rules & Municipal Structure, Co-chair Linda Verrill
Date: 7-16-20
Re: Committee decision on fence heights

The council agreed that the Policy, Rules & Municipal Structure committee discuss the repeated granting of fence-height variances to allow backyard fence heights up to 6-feet. The item was discussed at the committee's July 2 meeting. Rather than making variances more difficult to obtain, a majority on the committee were in favor of allowing town residents to have permitted backyard fences up to 6-feet. The committee unanimously agreed to send the recommendation to council to allow residents to install permitted backyard fences up to 6 feet tall.

The committee's reasoning is as follows: There are already many 6-foot backyard fences in University Park. Some had been erected too long ago to know how permission was granted and some are there because the council has generously granted variances based on the residents' claim of safety issues, unique topography, or other special circumstances. Because of extant fence situation in University Park, a majority of the committee believes it is unreasonable to disallow the few residents who desire a 6-foot backyard fence from having one. Furthermore, allowing backyard fence heights for UP residents who want one respects the homeowner's desire to enjoy the privacy of their back yard, if that is their wish, to minimize potential disturbance of neighbors, to increase in the safety provided by a higher fence to contain dogs, dissuade deer, minimize contact with a difficult neighbor, etc. The committee believes that most UP residents will continue to prefer 4-foot fences for their own backyards so they can enjoy beautiful backyard vistas, if they are lucky enough to have one, and to maintain the opportunity for intimate interaction with neighbors. And certainly, the committee does not approve of - nor recommend - any change in town code regarding fences in the front yard. The committee further recommends that no backyard fence higher than 6-feet be allowed.

The committee recommends that the mayor and council direct the town attorney to identify the appropriate sections of town code and to develop language to modify the current code to reflect the committee's recommendation.

Thank you for making time on an upcoming council meeting agenda for this discussion.

MEMORANDUM

To: Mayor and Common Council
From: David J. Deutsch, Town Administrator
Subject: Rear Yard Fences
Date: August 9, 2020

COMMON COUNCIL

BACKGROUND

The Prince George's County Zoning Ordinance permits rear yard fences up to six feet in height. Fences on properties less than one acre in size are not allowed to exceed four feet in height in the front or side yard without a variance. It also requires that fences on corner lots be set back to the building restriction line. The Town is authorized to adopt legislation regulating fences if it is more restrictive than the County's law. The Mayor and Council have done so in University Park Town Code Section 4-110A(1), which says "No fence or wall or combination thereof shall exceed four feet in height." The Town Code also specifically prohibits the use of "chicken wire" and barbed wire. University Park residents desiring to erect a fence greater than four feet in height in the rear yard may request a Special Exception from the Town Council. Council heard sixteen Special Exception requests between January 1, 2015 and December 31, 2019. The majority of the Special Exception requests sought approval for a six-foot fence, while a small number of applicants asked for a five foot fence. With one exception, all requests were approved by Council. The one exception would have been approved, however it was vetoed by the Mayor.

ISSUE

The Town's Policy, Rules and Municipal Structure_(PMRS) Committee has recommended that Council consider eliminating the four-foot restriction for fences in the rear yard. The attached memorandum from the Committee contains their assessment of the issue.

POLICY OPTIONS

There are a number of options available to the Council:

1. If no changes are made to the Town Code regarding maximum fence height, you should continue to expect an average of three to four Special Exception requests on an annual basis.
2. Endorse the PRMS proposal, which calls for the Town to adopt the Prince George's County maximum height allowance of six feet in the rear yard. Council may still want to regulate certain aspects of fences, such as the types of materials that may be used when a fence is constructed.

3. You could essentially “split the difference” between the current Town regulation and the County Ordinance. This would seem illogical, though, as the majority of the requests coming before the Town Council are for six-foot fences.

4. Another option is to remove yourself from the fence business altogether, and acknowledge the primacy of the County in this area of regulation.

NEXT STEPS

This matter will be on your agenda for the August 17, 2020 Town Council Meeting. Staff and the Town Attorney will be prepared to facilitate Council’s discussion. If Council decides to change the Town Code, the Town Attorney will present a proposed Code Amendment ordinance at the first Council Meeting in September (September 14, 2020).
