The meeting, held via Zoom, was called to order at 7:34 p.m.

1. Stream cleanup: Date set for April 17, 2021. Schultz to coordinate with Town DPW as needed.

2. The Committee agreed to keep the current monthly meeting schedule, rather than change to every other month.

3. Updates: The UMD capstone student team should present a mid-term progress report soon, possibly at the next Committee meeting. Schultz to coordinate with other Committees and Town staff. The Committee briefly returned to discussion of a park plan, and still hopes to get a line item into the FY 2022 budget for that. Schultz to email Mickey Beall to ask about when the Adelphi Rd. meadow is to be mowed, and coordinate possible reseeding with Mary Sue Twohy, AWS, and UMD. The Committee discussed expanding membership. Members will propose some nominees.

Meeting adjourned at 8:35 p.m.
